SECTION 2 MEMBERSHIP SUPPORT

ELGAA is a non-profit community service organization which has provided youth sports to this area for more than three decades. The reason for success is the strong volunteerism from our members. June Vollrath Park was built through ELGAA's efforts of fundraising, volunteer labor, and seeking donations. Ongoing costs associated with operating the park and managing our sports programs are primarily funded through concession sales and other fundraising events. None of our members receive compensation. As part of your membership, all families are asked to support this philosophy through ongoing participation. As parents we ask you to get involved and help us continue the tradition of keeping our community a great place to raise a family.

PLEASE NOTE: Each family will be required to work one week in the concession stand.

Your assigned week is based on your last name, the schedule is below:

May 13th to 19th (F to G)

May 20th to 26th (Br to C)

May 27th to June 2nd (P to Q)

June 3rd to June 9th (H to K)

June 10th to 16th (L to O)

June 17th to 23rd (U to Z)

June 24th to 30th (A to BO)

July 1st to July 7th (R to Sc)

July 8th to 14th (Se to T)

July 15th to 21st (D to E)

The schedules will also be posted on line and at the park in early spring.

There are many other ways you can become directly involved in ELGAA. Below are just a few examples of how you can help continue to make ELGAA a success. Please mark the area(s) you/your family are willing to volunteer for during the upcoming season:

1) Provide or personally umpire game(s): _____
