

Dear Potential Sponsor:

We are excited to announce that the Elkhart Lake-Glenbeulah Athletic Association (ELGAA) and the Elkhart Lake- Glenbeulah Education Foundation (ELGEF) have again joined forces to hold a joint fundraising Golf Challenge event on October 4, 2009 at Quit Qui Oc Golf Course in Elkhart Lake. In joining forces both organizations will benefit from your participation and sponsorship. After all it takes a whole village to raise a child!

ELGAA provides sports and other recreational activities for local families through the operation of the June Vollrath Park in Elkhart Lake. Their main focus is geared toward the youth of our community and the surrounding area. Founded in 1968, ELGAA is run by a 12-member volunteer Board of Directors. All sports programs are made possible through the dedication of various individuals who volunteer their time to coach, provide field support and run the concession stand. Their programs help our youth to maintain a healthy lifestyle, develop positive self esteem, leadership skills and teambuilding concepts that prepare them for life's experiences.

ELGEF supports the Elkhart Lake-Glenbeulah School District in its mission to provide a caring, innovative learning environment. Founded in 2003, ELGEF is run by a 16-member volunteer Board of Directors. Their main focus is to enrich student academic endeavors, encourage well-rounded students through community and extracurricular activities, encourage faculty development to promote excellence in teaching, supplement classroom and other facility needs and facilitate partnerships between the school and the community.

Funds raised by the Golf Challenge will assist ELGAA with the ongoing operating expenses related to park maintenance and to continue to provide financial support to families who otherwise would be unable to participate in programs due to financial hardship. In addition, funds will be used to continue a scholarship program that awards two scholarships to deserving high school graduates from our school district. ELGEF will benefit equally by using funds raised to make financial and other resources available to the school district to enhance the educational opportunities and related activities that are not ordinarily provided through the district's operating budget.

The Golf Challenge will be a 9-hole or 18-hole scramble with hole and team prizes. We hope to host 30 foursomes which will showcase your business/organization to over 120 people the day of the event, as well as, recognition in print advertising and event signage. Foursomes will pay \$160 (9 holes) and \$300 (18 holes) for golf, cart, appetizers and beverage tickets. Please join us in our efforts and consider one of the following sponsorship options to show your support for ELGAA and ELGEF and the youth of the community:

Headline Sponsorship	\$1000
Putting Contest Sponsorship	\$400
Hole Sponsorship	\$200
Green Sponsorship	\$100

You can also meet your sponsorship commitments via the donation of goods and/or services (i.e. gift cards, product donations, etc.) Please remember that ELGAA and ELGEF are 501(c)3 not-for-profit organizations and contributions are tax deductible.

Enclosed you will find a sponsorship form and an addressed, stamped return envelope. Please respond with your choice of sponsorship level by August 15, 2009.

If you have additional questions or are interested in additional opportunities to support the ELGAA/ELGEF Golf Challenge, please feel free to contact one of the committee members listed below.

Sincerely,
