SECTION 2: MEMBERSHIP

ELGAA is a non-profit community service organization which has successfully provided youth sports to this area for more than three decades. The reason for success has been the strong volunteerism from our members. The June Vollrath Park was built through the Association's efforts of fund raising, volunteer labor, and seeking donations. None of our members receive compensation. Ongoing costs associated with operating the park and managing sports programs are primarily funded through concession sales and other fund raising events. As part of your membership all families are asked to support this philosophy with ongoing participation. ELGAA plays an important part in community growth, school programs, and in child development. Through our programs our young athletes learn the fundamentals in Team Skills and Athleticism. As parents we ask you to get involved and help us to continue the tradition of keeping our community a great place to raise a family. **Thank you for your support!**

This year is our 5th annual **5 v 5 Soccer Tournament, September 17, 2011**. Funds are raised to fund two high school scholarships. As part of registration in the soccer program, all families are expected to be volunteers for this very special occasion. Please mark your calendars and let us know how you can help make this a great event!

From the list below please sign up for the additional things you would like to volunteer for:

1. **Volunteer to help with 5 v 5 Tournament**
2. **Concession Stand Week during Softball and Baseball Season**
3. Extra days or events in concession stand
4. Committee work
5. Grounds & Maintenance – at park & hiking trails
